d. Effective Date for Initial Contributory Insurance When Proof of Good Health is not Required

If a Member is to contribute a part of premium, insurance must be requested in a form provided by The Principal. Unless Proof of Good Health is required (see b. above and e. below), the requested insurance will be in force on:

- (1) the date the Member is eligible, if the request is made on or before that date; or

PART IV - BENEFITS

Section A - Member Life Insurance

Article 1 - Schedule of Insurance

Subject to the Effective Date provisions of PART III, Section B, and the qualifying provisions of this Section A, the Scheduled Benefit for an insured Member will be based on his or her class:

Class	*Scheduled Benefit
ALL MEMBERS	\$10,000

However, if a Member has received any payments under the Accelerated Benefits provision as described in Section A, Article 7, the Scheduled Benefit will be reduced by the amount of such payment.

*The Scheduled Benefit is subject to the Proof of Good Health requirements as shown in PART III, Section B, Article 1. Because of the Proof of Good Health requirements, the amount of insurance approved by The Principal may be different than the Scheduled Benefit. If the approved amount of insurance is different than the Scheduled Benefit, the approved amount will apply.

For the age(s) shown below, the amount of a Member's insurance will be the percentage of the Scheduled Benefit (or approved amount, if applicable) as shown below.

Age	% of Scheduled Benefit (or approved amount, whichever applies)
Age 70 but less than age 75	65%
Age 75 and over	45%

Article 2 - Death Benefits Payable

If a Member dies while insured for Member Life Insurance under this Group Policy, The Principal will pay his or her beneficiary the Scheduled Benefit (or approved amount, if applicable) in force on the date of death, less any Accelerated Benefit payment as described in PART IV, Section A, Article 7. However, if a beneficiary is suspected or charged with the

This policy has been updated effective January 1, 2014

Member's death, the Death Benefits Payable may be withheld until additional information has been received or the trial has been held.

If a Member who was insured dies within the 31-day individual purchase period described in PART III, Section F, The Principal will pay his or her beneficiary the individual policy amount, if any, the Member had the right to purchase.

No payment will be made before The Principal receives Written proof of the Member's death.

Article 3 - Beneficiary

A beneficiary should be named at the time a Member applies or enrolls under this Group Policy. A Member may name or later change a named beneficiary by sending a Written request to The Principal. A change will not be effective until recorded by The Principal. Once recorded, the change will apply as of the date the request was Signed. If The Principal properly pays any benefit before a change request is received, that payment may not be contested. Further:

- a. The naming of a new beneficiary in an application for individual purchase under PART III, Section F, Article 1, will be treated as a beneficiary change request under this Group Policy.
- b. If a Member's terminated insurance is reinstated, his or her beneficiary will be as recorded on the date of termination.

If a Member is insured under this Group Policy on its Date of Issue and this insurance replaces insurance in force on the day immediately before the Date of Issue, the beneficiary named in such replaced insurance and recorded by the Policyholder or The Principal will be the beneficiary under this Group Policy until a new beneficiary is named.

Article 4 - Facility of Payment

If any of the below occur, benefits will be paid as stated. All such payments will discharge The Principal to the full extent of those payments.

- a. If a beneficiary is found guilty of the Member's death, such beneficiary may be disqualified from receiving any benefit due. Payment may then be made to any contingent beneficiary or to the executor or administrator of the Member's estate.
- b. Any benefit due a beneficiary who dies before the Member's death will be paid in equal shares to the Member's surviving beneficiaries.

This policy has been updated effective January 1, 2014

- c. If a beneficiary dies at the same time or within 15 days after the Member dies, but before The Principal receives Written proof of the Member's death, payment will be made as if the Member survived the beneficiary.
- d. If no beneficiary survives the Member or if the Member has not named a beneficiary, payment will be made in the following order of precedence as numbered:
 - (1) to the Member's spouse;
 - (2) to the Member's children born to or legally adopted by the Member;
 - (3) to the Member's parents;
 - (4) to the Member's brothers and sisters; or
 - (5) if none of the above, to the executor or administrator of the Member's estate.
- e. If The Principal believes a person is not legally able to give a valid receipt, as determined by The Principal, for a payment, and no guardian has been appointed, The Principal may pay whoever has assumed the care and support of the person.

Article 5 - Settlement of Proceeds

When The Principal receives Written proof of the Member's death, the Scheduled Benefit (or approved amount, if applicable) in force for the Member, less any Accelerated Benefit payment as described in PART IV, Section A, Article 7 will be placed in an interest-bearing draft account at an interest rate determined by The Principal, unless a lump sum or other settlement option has been elected. With the interest-bearing draft account, the balance will be available to the beneficiary at any time, in total or in part, subject to the following terms:

- a. withdrawals must be made by draft furnished by The Principal; and
- b. the draft amount must be at least \$500 or more and may not exceed the account balance; and
- c. if the account balance falls below \$500, the balance will be paid to the beneficiary in a lump sum and the account closed; and
- d. the account cannot be assigned or used as collateral.

The Interest Draft Account will not be available if the Scheduled Benefit amount payable is \$5,000 or less; or if the beneficiary is anything other than a natural person. In these instances, a lump sum payment will be made.

In the event the Interest Draft Account is not available or otherwise does not apply, The Principal reserves the right to make payment of proceeds according to other settlement options if agreed to, in Writing, by The Principal.

This policy has been updated effective January 1, 2014

Payment of benefits will be subject to the Beneficiary and Facility of Payment provisions of this PART IV, Section A.

- (2) become ADL Disabled or Totally Disabled prior to the attainment of age 60; and
- (3) remain ADL Disabled or Totally Disabled continuously; and
- (4) be under the regular care and attendance of a Physician; and
- (5) send proof of ADL Disability or Total Disability to The Principal when required; and
- (6) submit to Medical Examinations or Evaluations when required; and
- (7) return to The Principal, without claim, any individual policy issued under his or her Individual Purchase Rights as described in PART III, Section F, Article 1. Upon return of such policy, The Principal will refund premiums paid, less dividends and less any outstanding policy loan balance.

b. Proof of ADL Disability or Total Disability

Written proof of ADL Disability or Total Disability must be sent to The Principal within one year of the date ADL Disability or Total Disability begins. Further proof that ADL Disability or Total Disability has not ended must be sent when The Principal requires. After ADL Disability or Total Disability has continued for two years from the date the first proof is received, The Principal may not ask for further proof more than once each year.

If the Member dies while ADL Disabled or Totally Disabled, final proof that ADL Disability or Total Disability continued to the date of death must be sent to The Principal. If death occurs within one year of the start of ADL Disability or Total Disability, but before The Principal has received first proof, then final proof must be sent within one year of the date ADL Disability or Total Disability began.

c. Medical Examinations and Evaluations

This policy has been updated effective January 1, 2014

The Principal may require that a ADL Disabled or Totally Disabled Member be examined by a Physician or undergo an evaluation, at reasonable intervals, during the course of a claim. After ADL Disability or Total Disability has continued two years from the date first proof of ADL Disability or Total Disability is received, examinations or evaluations may not be required more than once each year.

The Principal will pay for these examinations and evaluations and will choose the Physician or evaluator to perform them. Failure to attend a medical examination or cooperate with the Physician may be cause for denial of the Member's benefits. Failure to attend an evaluation or to cooperate with the evaluator may also be cause for denial of the Member's benefits. If the Member fails to attend an examination or an evaluation, any charges incurred for not attending an appointment as scheduled may be his or her responsibility.

d. Effective Dates and Premium Waiver

Coverage During Disability will be effective for a qualified Member on the earliest of:

- (1) the date nine months after the date the Member becomes Totally Disabled; or
- (2) the date one month after the date the Member becomes ADL Disabled; or
- (3) the date the Member dies.

Premium will not be charged for Member Life and Member Accidental Death and Dismemberment Insurance and Dependent Life Insurance while the Member's Coverage During Disability is in force.

e. Benefits Payable

If death occurs while Coverage During Disability is in force, The Principal will pay the Member's beneficiary the Member Life Insurance benefit amount that would have been paid had the Member remained insured under the Schedule of Insurance in force on the date Total Disability began.

Such benefit shall be subject to any reduction provided under the Schedule of Insurance.

However, NO BENEFIT WILL BE PAID if Written proof of ADL Disability or Total Disability is not sent to The Principal within one year of the date ADL Disability or Total Disability began. Failure to give Written proof within the time specified will not invalidate or reduce any claim if Written proof is given as soon as reasonably possible. Further, if a death benefit is paid under this section of the Group Policy, it will be in place of all other Member Life Insurance benefits provided under this Group Policy.

f. Termination (Premium Waiver)

This policy has been updated effective January 1, 2014

Coverage During Disability will cease on the earliest of:

Class

Dependent

***Scheduled Benefit**

Spouse

\$5,000

0 days old but less than 6 months

*The Scheduled Benefit is subject to the Proof of Good Health requirements as shown in PART III, Section B, Article 1. Because of the Proof of Good Health requirements, the amount of insurance approved by The Principal may be different than the Scheduled Benefit. If the approved amount of insurance is different than the Scheduled Benefit, the approved amount will apply.

In no event will a Dependent's Scheduled Benefit be more than 50% of the Member's Scheduled Benefit amount. If a Member elects a Dependent Life benefit in excess of 50% of the Member's Scheduled Benefit amount, the Dependent will be given the highest amount available, not to exceed 50%.

Article 2 - Death Benefits Payable

If a Dependent dies while insured for Dependent Life Insurance under this Group Policy, The Principal will pay the Scheduled Benefit (or approved amount, if applicable) in force for that Dependent on the date of death.

Unless a Beneficiary has been designated, payment will be to the Member if he or she survives the Dependent. If the Member does not survive the Dependent and a beneficiary for Dependent Life has not been named, payment will be to the person named as beneficiary for Member Life Insurance. However, if the Member is suspected or charged with the Dependent's death, the Death Benefits Payable may be withheld until additional information has been received or the trial has been held. If the Member is found guilty of the Dependent's death, he or she may be disqualified from receiving any benefit due. Payment may then be made to the executor or administrator of the Dependent's estate. Payment will be subject to the Beneficiary provisions in Article 3 and the Facility of Payment and Settlement of Proceeds provisions of PART IV, Section A.

No payment will be made before The Principal receives Written proof of the Dependent's death.

Article 3 - Beneficiary

A Member may name or later change a named beneficiary by sending a Written request to The Principal. A change will not be effective until recorded by The Principal. Once recorded, the change will apply as of the date the request was Signed. If The Principal properly pays any benefit before a change request is received, that payment may not be contested.

This policy has been updated effective January 1, 2014

Section D - Claim Procedures

Article 1 - Notice of Claim

Written notice must be sent to The Principal by or for a Member or Dependent who wishes to file claim for benefits under this Group Policy. This notice must be sent within 20 days after the date of the loss for which claim is being made. Failure to give notice within the time specified will not invalidate or reduce any claim if notice is given as soon as reasonably possible.

Article 2 - Claim Forms

The Principal, when it receives notice of claim, will provide appropriate claim forms for filing proof of loss. If the forms are not provided within 15 days after The Principal receives notice, the person will be considered to have complied with the requirements of this Group Policy upon submitting, within the time specified below for filing proof of loss, Written proof covering the occurrence, character, and extent of the loss.

Article 3 - Proof of Loss

Written proof of loss must be sent to The Principal within 90 days after the date of the loss. Proof required includes the date, nature, and extent of the loss. The Principal may request additional information to substantiate loss or require a Signed unaltered authorization to obtain that information from the provider. Failure to comply with the request of The Principal could result in declination of the claim. For purposes of satisfying the claims processing timing requirements of the Employee Retirement Income Security Act (ERISA), receipt of claim will be considered to be met when the appropriate claim form is received by The Principal.

Article 4 - Payment, Denial, and Review

ERISA permits up to 45 days from receipt of claim for processing the claim. If a claim cannot be processed due to incomplete information, The Principal will send a Written explanation prior to the expiration of the 45 days. The claimant is then allowed up to 45 days to provide all additional information requested. The Principal is permitted two 30-day extensions for processing an incomplete claim. Written notification will be sent to the claimant regarding the extension.

In actual practice, benefits under this Group Policy will be payable sooner, provided The Principal receives complete and proper proof of loss. Further, if a claim is not payable or cannot be processed, The Principal will submit a detailed explanation of the basis for its denial.

This policy has been updated effective January 1, 2014

A claimant may request an appeal of a claim denial by Written request to The Principal within 180 days of receipt of notice of the denial. The Principal will make a full and fair review of the claim. The Principal may require additional information to make the review. The Principal will notify the claimant in Writing of the appeal decision within 45 days after receipt of the appeal request. If the appeal cannot be processed within the 45-day period because The Principal did not receive the requested additional information, The Principal is permitted a 45-day extension for the review. Written notification will be sent to the claimant regarding the extension. After exhaustion of the formal appeal process, the claimant may request an additional appeal. However, this appeal is voluntary and does not need to be filed before asserting rights to legal action.

For purposes of this section, "claimant" means Member, Dependent, or Beneficiary.

Article 5 - Medical Examinations

The Principal may have the Member or Dependent whose loss is the basis for claim, be examined by a Physician during the course of a claim. The Principal will pay for these examinations and will choose the Physician to perform them.

Article 6 - Autopsy

If payment for loss of life is claimed, The Principal may require an autopsy. The Principal will pay for any such autopsy.

Article 7 - Legal Action

Legal action to recover benefits under this Group Policy may not be started earlier than 90 days after required proof of loss has been filed and before the appeal procedures have been exhausted. Further, no legal action may be started later than three years after that proof is required to be filed.

Article 8 - Time Limits

Any time limits in this section will be adjusted as required by law.
